

Men's Group Report 2018/19

The St Andrew's Men meet monthly and ad hoc! The main activities this year have been three-fold:-

* Attendance at talks of the North London branch of the HA. In addition we have a visit-this year, still to come, to All Hallows Tottenham.

* Dinners and brunches together a couple of times a year each at the Moon Under Water, a venue too for our post-meeting drink.

* Whisker's whistle-stop tours of museums, galleries, a Roman temple, lunchtime services and recitals in the City, even tea at Fortnum and Masons.

Always lots going on. New members very welcome. Please speak to Howard or Rex and watch the pew sheet.
